@AddToCart
Feature: AddToCart
 As a user,
 I want to add books to my cart so that I can purchase them later.

 @SingleBook
 Scenario: Add a single book to cart
   Given I am viewing a book's detail page
   When I click on Add to Cart button
   Then the item should appear in my cart with quantity "1"

 @MultipleBooks
 Scenario: Add the same book multiple times
   Given I have already added a book to the cart
   When I click on Add to Cart button
   Then the quantity of that book in the cart should increase to "2"

@BookSearch
Feature: Book Search
 As a user,
 I want to search for books so that I can find titles of interest.

 @ValidSearch
 Scenario: Valid Search
   Given I am on the homepage
   When I enter "Harry Potter" into the search bar
   Then I should see a list of books with "Harry Potter" in the title or author

 @InvalidSearch
 Scenario: No Book Found
   Given I am on the homepage
   When I enter "xyznotabook" into the search bar
   Then I should see a "No books found." Message
